

Suspension and and Chassis	Points
Height adjustable coil-overs (dampers, springs , camber plates )	25
Springs	13
Seam weld	10
Non OE performance shocks (adjustable, or revalved )	7
Change suspension type and/or alternate mounting points	7
Sway bars ( both )	6
Roll cage ( 6 or more attachment points	5
Sway bar 1 bar (modification to the bar and links are free)	2
Camber plates , bushing or bolts with camber adjustment allowance	2

Body and Weight Reduction	Points
Glass removal (other than sunroof)	5
Removal of interior coverings, seats	3
Lightweight hood	2
Lightweight trunk or hatch	2
Sunroof and window mechanism removal	2
Racing seat (non OE and 1. approved/homologated by racing sanctioning body or 2. weighs less than 20lbs)	2
Non-factory body flares to allowed wide tires	2
Lightweight fenders and body panels ( pair )	2
Heating and AC removal	2
Light(s) removal	1
Lightweight battery, 15lbs or less	1
Airbag(s) and or speaker(s) removal	1
Non-OE reduced weight BRAKE CALIPERS	1
Wipers, locks, mirrors and motors removal	1

Other Modifications	Points
Change of drive-train configuration	15
Install Turbo or Supercharger (applies to OE config only )	10
Trans. swap (if gear ratios of 1, 2, 3 differ and/or weight reduced 20lbs +	5
Change final drive ratio	4
Differential upgrade LSD	5
Bore / stroke	5
Compression ratio change	4
Valves, porting head including rotary engine porting	4
Non OE engine pulley(s) ( size or weight)	2
Flywheel / Clutch weight reduction	2
Non OE electric water pump and or fans	1
Relocation, engine/transmission (4" or more) from original location	5
Relocation, engine/transmission ( 1 to 4" ) from orig. location	2

<b>Supercharged and/or Turbo Vehicles</b>	<b>Points</b>
Exhaust ( from valve through cat )	5
Exhaust ( Cat back only )	1
ECU reprogrammed, stand alone, chip, tune, etc	5
Increase boost level ( any way )	5
Intercooler & piping changes	3
Turbo mods or upgrades	3
Water or methanol injection	2
Intake ( prior compressor )	1

<b>Naturally Aspirated Vehicles</b>	<b>Points</b>
Intake manifold	3
Cams	3
Exhaust ( from valve thru cat )	2
ECU reprogrammed, stand alone, chip, tune, etc	2
Intake ( from manifold to filter element ) filter is free	1
Exhaust ( Cat back only )	1

<b>Engine swaps from other models or makes ( all cars )</b>	<b>Points</b>
AWD - Must Apply New Base Class	10
RWD - Must Apply New Base Class	10
FWD - Must Apply New Base Class	3

<b>Wheels&amp; Tires</b>	<b>Points</b>
Wheels and tires extend beyond OE fender or fender flares	5
Wheel width increase more than 1"	5
Wheel width increase up to 1"	2
UTOQ 50 and below	33
UTOQ 51-110	13
UTOQ 111-220	5

<b>Additional points from BASE CLASS each (*) = 5 points</b>	<b>Points</b>
( * )	5
( ** )	10
